STRATEGIC EXECUTION RULES

HIGH-YIELD PRINCIPLES

- **Active Recall over Passive Rereading:** With 2x UPSC Prelims cleared, read notes by questioning yourself on constitutional articles, dates, dynasties, schemes, and mineral lists.
- **Factual Precision (UPPSC DNA):** Focus on exact match-the-column pairs, one-liner trivia, census data, and repeat questions from 1991–2024.
- **Strict 3-Tag Mock Review:** Tag errors into: (1) *Concept gap*, (2) *Factual slip*, (3) *Bad risk*. Log missed facts into your notebook immediately.
- **PubAd Formal Pause:** Daily PubAd mini test writing is suspended till 25 Nov to channel peak bandwidth into securing the UPPSC cutoff.
